**Fall 2017 Sensory Play Day**  
**Saturday, October 14th, 10:30am - 3:00pm**

**The Forks Fall Sensory Play Day** will be on **Saturday, October 14th, from 10:30am - 3:00pm**, rain or shine. The event is at the Forks Ball field, 655 Hibernia Rd. in Glenmoore, PA, 19343.

(In the event of inclement weather, as many events as possible will be set up in the Forks Church fellowship hall at 1648 Horseshoe Pike, Glenmoore, PA 19343).

**This is a free event** for families who have children with special needs, 2-15+/- years old, sponsored and hosted by the Forks of the Brandywine Presbyterian Church. Our purpose in providing the Sensory Play Day is to offer kids with sensory needs and their siblings, multiple sensory based fun activities in a spacious outdoor environment where parents can feel supported and understood, relax, enjoy themselves and socialize with other parents.

We seek to be what a Church should be, an embracing community sharing the love of Jesus in very practical ways with families that are often isolated and find it difficult to be part of a church. We will seek to provide some volunteer support for families that need an extra hand for safety, when requested in advance. Extended family as well as caregiver support is welcome to come and join the fun!

**A picnic style lunch will be provided**, with some vegetarian and gluten free/ dairy free items. Families should bring their own food items to accommodate specific dietary restrictions, such as food allergies, to ensure health and safety. Parents are to supervise their children during the event, as well as through the food line.

**The Fall Sensory Play Day will feature many familiar sensory activities** including the hayride, petting the sheep and exploring wool, the moon bounce, the nature trail adventure, the Beach, movement and texture play... all with fun and interactive approaches.

**The Folkie Dokies** will be back on stage! **Puppet and Story Works (ventriloquists)** will debut on stage this fall. We will have the privilege of **PAW's bringing teams of therapy dogs** to the ball field! There will be **pony rides and pony painting** with opportunities for children to interact with the horses **and so much more!**
